Our school connects, creates and guides a multigenerational community of lifelong learners and spirited citizens.

The Intergenerational Schools are successful Intergenerational Learning Communities that are transforming Cleveland, and the world, into a better and more equitable global community. The Intergenerational Schools will serve as a model to encourage and assist other communities to create similar learning environments.

A Community School

Founded in 2000, The Intergenerational School pioneered a unique educational model that has received both national and international recognition, and has been replicated at the Near West and Lakeshore Intergenerational Schools in Cleveland. Modeled on the belief that there is no better way to reinforce knowledge than to teach it to someone else, TIS has multi-age classrooms that give every child the opportunity to both teach and learn. Additionally, our students learn with a lifetime perspective and benefit from daily interactions with a diverse group of young and older adults who serve as mentors, tutors and co-learners.

In February, Miss Roth’s primary class enjoyed a high energy, interactive production of “Cinderella! A Musical Theater Experience” with our friends from Judson Smart Living. The day included an art project with Judson residents and students and a wonderful chance to make new friends in our senior community.
